## EASY CARE INSTRUCTIONS

Wash in our patented System 2000™ Padwasher or machine wash in warm water, then air dry.

## BENEFITS

- ◆ **Increased Buffing Surface** - design of "foam fingers" provides over 9 times the contact area of a similar size pad.
- ◆ **Reduced Heat and Polish Buildup** - Independent "foam fingers" improve air flow which reduces heat and polish buildup, resulting in a swirl-free finish.
- ◆ **Improved Handling** - Buffs like a wool pad without the lint. Manufacturing process utilizing high performance foams assures a balanced pad every time.
